In the *Circulation Research* article by Carley et al (Matrix Revisited: Mechanisms Linking Energy Substrate Metabolism to the Function of the Heart. *Circ Res*. 2014;114:717–729. DOI: 10.1161/CIRCRESAHA.114.301863), a correction was needed.

The correction is to an incorrect word that appears on page 718, left column, 2nd paragraph, line 13: instead of “α-ketoglutarate”, the correct term should be “oxaloacetate”.

The error has been corrected in the online version of the article, which is available at http://circres.ahajournals.org/content/114/4/717.
