EDITORIAL CORRESPONDENCE for manuscripts submitted before July 1, 1970 write to the
Editor, Circulation Research, Cardiovascular Research Institute, University of California Medical
Center, San Francisco, California 94122.

BUSINESS CORRESPONDENCE: Write to Publishing Director, American Heart Association, 44
East 23rd Street, New York, N. Y. 10010. To change address, send subscriber’s old and new ad-
dresses and subscription number at least 30 days in advance.

SUBSCRIPTION RATES: For all journals, send check, draft, post-office or express money order
to American Heart Association, 44 East 23rd Street, New York, N. Y. 10010. Subscriptions ac-
cepted for calendar or fiscal year. Annual rate includes supplements; supplements alone are priced
separately.

Circulation Research: $25 per year ($12.50 for Research Fellows, Interns, Residents and
Medical Students in United States and Canada*).
Single copies, $2.50; foreign, $3.50.

Circulation: $20 per year ($10 for Interns, Residents, and Medical Students in United States
and Canada*). $24 per year elsewhere, including postage.

Stroke: A Journal of Cerebral Circulation: $25 per year, United States and Canada ($12.50 for
Interns and Residents in United States*); $30 per year elsewhere, including postage. Single
copies, $5.00; foreign, $5.50.

*For special rate, send letter stating post held.

ADVERTISING SPACE is granted only to copy passed upon by a special committee of the
American Heart Association. Advertising forms close 30 days prior to the first day of publication
month. Advertising rates and page sizes are available on application to the Publishing Director.

Instructions to Authors

Information about suitability of manuscripts for Circulation Research
and their preparation, submission, review and editing now appears in the
first number of each volume (July and January), beginning with this issue.
Copies of Instructions will be mailed to authors by the Editorial Office
on request.

Beginning July 1, 1970, mail new manuscripts to:
Dr. Robert M. Berne, Editor
Department of Physiology
University of Virginia
Charlottesville, Virginia 22901
