Subscription Rates

Annual subscriptions accepted at any time. Subscription rates for Japan and Europe are available through respective exclusive agents. All orders for Japan must be sent to Nankodo Co., Ltd., 42-6 Hongo 3-chome, Bunkyo-Ku, Tokyo 113, Japan. All orders for Europe must be sent to Bailliere Tindall, 1 St. Anne's Road, Eastbourne, East Sussex, BN21 3UN England.

Individuals may subscribe to Circulation Research for their personal use at the following rates: $90 in the United States; $115 outside the United States, Japan, or Europe. Interns, residents, and medical students (United States, Canada, or Mexico only) are eligible for a reduced rate if payment is accompanied by a letter from the department chairman verifying post held and completion date. Special reduced rates are $45 in the United States, $57.50 in Canada and Mexico. Subscriptions for libraries, reading rooms, and other multiple-use institutions are available at special rates; contact the AHA for details. Remittances for subscriptions outside Japan and Europe must be made by check, draft, post office or express money order in U.S. dollars payable to the American Heart Association with Circulation Research on the face of the check. Issues will be mailed after payment is received. Prices are subject to change without notice. Air mail and single copy rates are available on request.

Editorial Correspondence

Harry A. Fozzard, M.D., Box 440, Room M603, University of Chicago Hospitals, 5841 South Maryland, Chicago, IL 60637.

Business Correspondence

Publishing Director, American Heart Association, 7320 Greenville Avenue, Dallas, TX 75231.

Second class postage paid at Dallas, Texas, and additional mailing offices. POSTMASTER: Send address changes to Circulation Research, American Heart Association, 7320 Greenville Avenue, Dallas, TX 75231.

The Circulation Manager should be advised of change of address 30 days before date of issue. Provide both old and new addresses.

Advertising Inquiries

Advertising copy must be approved by a special committee of the American Heart Association. Advertising forms close 45 days prior to the first day of publication month. Advertising rates and page sizes are available on request.

Instructions to Authors

Information about manuscripts for Circulation Research, including format, submission, review, and editing, appear in the first number of each volume (January and July). The author bears the cost of color in illustrations, as well as the cost of any reprints.

Circulation Research

Circulation Research provides a medium for bringing together basic research on the cardiovascular system from several disciplines including biology, biochemistry, biophysics, morphology, pathology, physiology, and pharmacology. The journal also will accept for publication manuscripts on clinical research that contribute to an understanding of fundamental problems.
