Triton Technology, Inc., with a decade of service to medical and physiological research, is the world's leading designer and producer of in vivo ultrasonic measuring instruments. Triton instruments are utilized in leading research laboratories and pharmaceutical companies worldwide. Call today for information about Triton's stand-alone instruments and modular systems, as well as our wide variety of specialized miniature transducers.

Whatever your application, Triton's expert on-staff designers can provide the measuring capability—and the ongoing service and support—you need.

Circulation Research
An Official Journal of the American Heart Association

Circulation Research (ISSN 0009-7330) is published monthly by the American Heart Association, 7272 Greenville Avenue, Dallas, TX 75231-4596.

Editorial Correspondence should be addressed to Stephen F. Vatner, MD, Circulation Research Editor, Harvard Medical School, New England Regional Primate Research Center, One Pine Hill Drive, PO Box 266, Southborough, MA 01772-9102. Telephone (508) 624-0014. Fax (508) 624-0960.

Instructions to Authors appear twice a year, in the January and July issues. Authors should consult these instructions before submitting manuscripts to Circulation Research.

Author Costs include page charges, cost of color figures, and cost of offprints, if ordered.

Business Correspondence should be addressed to Scientific Publishing, American Heart Association, 7272 Greenville Avenue, Dallas, TX 75231-4596. Telephone (214) 706-1310. Fax (214) 691-6342.

Change of Address: Please supply old and new addresses. Allow 6 weeks for changes.

Subscription Rates: In the United States, individuals may subscribe to Circulation Research for their personal use at the annual rates of $122 for members of an American Heart Association scientific council and $152 for nonmembers. Outside the United States, add $60 for postage.

Medical professionals and scientists in training may subscribe for $76 in the United States and $106 outside the United States if payment is accompanied by a letter from the department chairman verifying post held and completion date. Prepayment is required. Make check, draft, or money order payable to the American Heart Association in US dollars drawn on a US bank, with Circulation Research on the face of the check. To charge on Visa or MasterCard, include account number, expiration date, and name as it appears on card.

Contact AHA for single copy rates and subscription rates for libraries, reading rooms, and other multiple-use institutions.

Subscription Rates in Japan: Contact Nankodo Co., Ltd., 42-6 Hongo 3-chome, Bunkyo-ku, Tokyo 113, Japan. Telephone 03 (3811) 9950. Fax 03 (3811) 5031.

Offprints: For orders of fewer than 100, offprints are available from corresponding authors. For orders of 100 or more, contact Scientific Publishing, Reprint Specialist, Telephone (214) 706-1466.

Advertising Correspondence should be addressed to Pharmaceutical Media, Inc., 14th Floor, 440 Park Avenue South, New York, NY 10016. Telephone (212) 685-5010. Fax (212) 685-6126. Advertising copy must be approved by the American Heart Association. Advertising forms close 45 days before the first day of publication month.

Secondary Services
Indexed or Abstracted in Biological Abstracts, Chemical Abstracts, Energy Research Abstracts, Excerpta Medica, Index Medicus, International Aerospace Abstracts, Life Sciences Collection, PESTDOC, RINGDOC, and VETDOC.

Available On-line from BRS Colleague, 8000 Westpark Drive, McLean, VA 22102. Telephone (800) 955-0960.

Microform Edition available from University Microfilms International, 300 North Zeeb Road, Ann Arbor, MI 48106-1346. Telephone (313) 761-4700.

Authorization to photostat items from this publication for personal and internal use, or for the personal or internal use of specific clients, is granted by the American Heart Association on the condition that the copier pay a fee of $1.00 per article plus $.10 per page to the Copyright Clearance Center, Inc. (CCC), 27 Congress St, Salem, MA 01970. Telephone (508) 744-3350. Payment should include the fee code 0009-7330/92/$1.00+.10. This consent does not extend to copying for advertising or promotional purposes, for creating new collective works, or for resale. Individuals may make single photocopies for personal, non-commercial use without obtaining permission. For all other use, permission should be sought directly from the American Heart Association. Telephone (214) 706-1309.

American Heart Association
National Research Program

Medical Student Research Fellowship
1993-1994

Institutional award to attract promising medical students to careers in cardiovascular research. Students engage in full-time research for a period of one year prior to graduation.

Application Deadline
Receipt June 1, 1992
for award activation July, 1993

Information: Division of Research Administration
American Heart Association
7272 Greenville Avenue
Dallas, Texas 75231-4596
(214) 706-1453
(214) 706-1341 (Fax)

Participation by women and minority candidates is encouraged.

American Heart Association
National Research Program

Established Investigator
1993-1994

stipend support in the field of cardiovascular disease and stroke, including related basic science and public health problems

To support promising scientists who have recently acquired independent status to ensure their continued success as investigators.

Application Deadline
Receipt June 1, 1992
for award activation July, 1993
