In the article by Wen et al, “Overexpression of 12-Lipoxygenase Causes Cardiac Fibroblast Cell Growth” (*Circ Res* 2001;88:70–76), the numbers on the ordinate scale of the left panel of Figure 8 (page 74) are not correct. The correct numbers of the ordinate scale of the left panel are 5, 10, 15, and 20 µg/10^6 cells. The numbers on the ordinate scale of the right panel of Figure 8 are incorrect as well. The correct numbers of the ordinate scale of the right panel are 1, 2, 3, and 4 µg/10^6 cells.

In the article by Enholm et al, “Adenoviral Expression of Vascular Endothelial Growth Factor-C Induces Lymphangiogenesis in the Skin” (*Circ Res* 2001;88:623–629), the designation of lanes “VEGF” and “VEGF-C” in Figure 1C (page 625) should be exchanged. The molecular weights on the right should be 3.6 kb, 2.4 kb, and 0.6 kb (instead of 6.0 kb, 4.5 kb, and 2.4 kb), respectively.

In the article by Imahashi et al, “Role of Intracellular Na^+ Kinetics in Preconditioned Rat Heart” (*Circ Res* 2001;88:1176–1182), the statistical symbols in Figure 5C (page 1179) are mislabeled. The correct version of Figure 5C is shown below.
